

MITP Program Suggestion

Proposed title	
Type of event	Scientific Program: <input checked="" type="checkbox"/> Topical workshop: <input type="checkbox"/>
Duration	
Preferred dates	

Events at MITP can be organized by groups of up to four external scientists who are expected to stay in Mainz for a significant portion of their event. There should always be at least two of the organizers present. Kindly bear in mind that the selection committee values diversity also among the team of organizers. **Submission of this proposal implies adherence to the MITP code of conduct**, <https://indico.mitp.uni-mainz.de/event/314/page/529-code-of-conduct>

Corresponding organizer		<input type="checkbox"/>	Diversity coordinator
Affiliation			
Organizer 2		<input checked="" type="checkbox"/>	
Affiliation			
Organizer 3		<input type="checkbox"/>	
Affiliation			
Organizer 4		<input type="checkbox"/>	
Affiliation			
Local organizer (optional)		<input type="checkbox"/>	
Affiliation	JGU Mainz		

Executive summary including expected impact (max. 1/2 page)

(Text)

Description of the scientific program / scientific motivation (2-3 pages)

(Text)

Description of the scientific program / scientific motivation (2-3 pages)

(Text)

(Bullet-point) list of the main scientific goals of the MITP activity

-
-

Diversity plan (please explain how you plan to attract a diverse pool of participants, including women and other under-represented populations in the physics community)

(Text)

List of potential participants

Provide a list of participants (including name and affiliation) which have explicitly confirmed their (non-binding) interest in potentially attending the program. Please consider gender balance and mixture of different levels of career stages.
